## VITAL STATISTICS

To the Selectmen:

In compliance with an act of the legislature passed June session, 1887, requiring clerks of town and cities to furnish a transcript of the record of births, marriages and deaths, to the municipal officers for publication in the annual town report, I hereby submit the following.

Respectfully,

GEORGE M. BRIDGMAN, *Town Clerk.*

## EXPLANATION REGARDING STATISTICS

The following statistics include the births and deaths occurring in the Mary Hitchcock Memorial Hospital during 1919, which do not properly belong to the town. Seventy-one were children born there of mothers from other towns, and forty-eight persons from other towns died there. Taking these from the numbers given in the tables, the record for Hanover would be thirty-four births and twenty-two deaths.
